MATE

📶 200 ft | 60 m 🔋 Replaceable battery

Versatile finder for everyday things

The updated Tile Mate is our everyday Bluetooth tracker; ideal for individuals and families who want a cost-effective and easily-attachable visual reminder when tracking multiple items.

Versatile

No-fuss way to keep track of your stuff. Now with a longer 200 ft. range so it's easier than ever.

Family-friendly

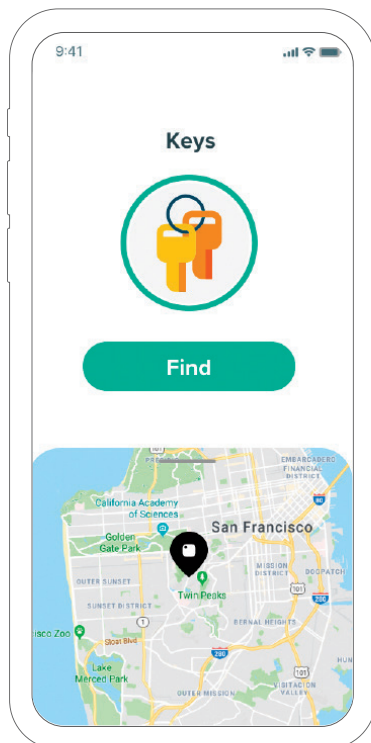

Affordable so you can put them on everything.

Everyday

Add them to your favorites so everyone knows they're findable.

Replaceable Battery

Mate uses a replaceable CR1632 battery which runs for a year with no upkeep, and then is easy to replace yourself.

How It Works

Get started

Download the Tile app and follow the simple in-app instructions to activate your Tile.

Ring your things

Use the Tile app to ring your Tile if nearby, or see its location on a map if far away.

Find your phone

Double press the Tile button on your Tile to make your phone ring even when it's on silent.

Use community find

Get anonymous help finding your Tiles from the Tile community. *The Tile app running on their phones will send location updates to your app, letting only you know where your Tile is.*

Sharing

Share your Tiles in the app with family and friends to increase your finding power.

Smart home integration

Tiles work with Amazon Alexa and Google Assistant to make finding easier than ever.
