SLIM

📶 200 ft | 60 m 🔋 3-year battery

Sleek finder for narrow spaces

The new low-profile Slim was redesigned to fit perfectly in your wallet. Now with a longer 200 ft range and louder ring.

Thin

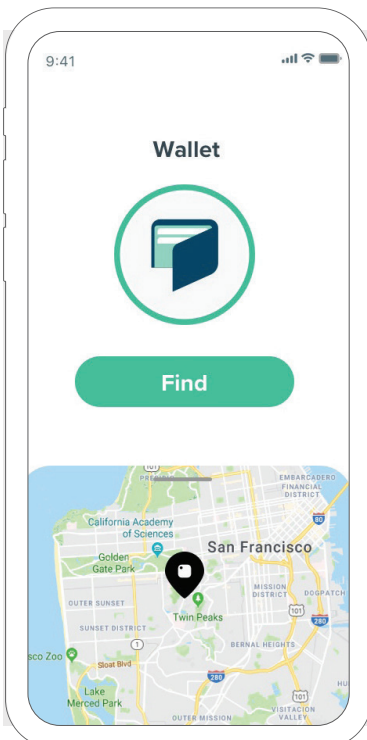

As thick as just two credit cards so it easily slips into narrow spaces.

Long Life

The 3-year battery provides long-term convenience.

Discreet

Slim slides into hidden spots or has an unobtrusive low-profile to lay flat on your devices.

How It Works

Get started

Download the Tile app and follow the simple in-app instructions to activate your Tile.

Ring your things

Use the Tile app to ring your Tile if nearby, or see its location on a map if far away.

Find your phone

Double press the Tile button on your Tile to make your phone ring even when it's on silent.

Use community find

Get anonymous help finding your Tiles from the Tile community. *The Tile app running on their phones will send location updates to your app, letting only you know where your Tile is.*

Sharing

Share your Tiles in the app with a friend or family member to increase your finding power.

Smart home integration

Tiles work with Amazon Alexa and Google Assistant to make finding easier than ever.

Subscribe to Tile Premium Upgrade your service to get personalized finding power and complete coverage with features like Smart Alerts, Location History, and Free Battery Replacement.
