

Tile Lookbook

The perfect tech business gift

The leading iOS and Android-compatible Bluetooth tracker for branded gifting and promotions

What is Tile?

Tile Bluetooth trackers are manufactured by leading retail brand Life360. Attach a Tile to your keys or other things, open the app and tap find to locate your stuff. You can also double-press the button on your Tile to ring and find your phone.

What makes Tile the perfect tech business gift?

- Tile trackers are iOS and Android-compatible, meaning that they work with any phone.
- Tile works seamlessly with the free Life360 app, used by over 88 million people.
- 3x more Tile trackers are sold than all other cross-platform Bluetooth trackers combined.
- Your branding can be applied to Tile trackers, with a range of complementary accessories and custom packaging options available.

Setting up Tile is easy – simply download the Life360 app from the App Store or Google Play and pair the device with your phone.
